MACCORMAC ARCHITECTS CAPABILITY STATEMENT

1. MACCORMAC ARCHITECTS

We are a medium sided practice undertaking large scale work . We are a core group of up to 8 professionals led by Kym MacCormac.

Kym has 34 years of experience in the work of an Architect. We undertake a limited number of projects each year and offer a personal service with only minimal delegation during the progress of each project.

Kym MacCormac

We have specialised knowledge of mixed use buildings including Commercial Offices, Retail and Multi-storey Apartment Buildings. Kym has also advised MRWA on aesthetics and prepared their standard guidelines for Tenders on public structures including road bridges, tunnels and walkways.

2. RECENT PROJECTS

Projects undertaken since 2000

Seaview Apartments

6 Level Apartment building with 55 Apartments, 64 car bays
